## RENOVACIÓN TOTAL TOTAL OVERHAUL

Nuestro nuevo catalogo supone una renovación total en nuestra información a clientes. Esta confeccionado utilizando las mejores bases de datos existentes hoy en día (POLK y TECDOC) que garantizan la calidad en la información ofrecida.

Los catálogos impresos en papel siguen siendo pieza clave en nuestra comunicación con el cliente. ¡Esto justifica todo nuestro esfuerzo! Sin embargo es muy importante el dar a conocer que renovamos nuestra base de datos cada dos meses, por tanto nuestra labor no termina aquí, continuamos trabajando y nuestros catálogos on-line (visite [www.idolz.com](http://www.idolz.com)) y TECDOC que siguen actualizándose día a día (visite [www.tecdoc.de](http://www.tecdoc.de)).

Además seguimos invirtiendo en gama: nuestro catalogo incorpora 80 nuevas referencias con respecto a nuestra edición anterior. La selección está realizada en base al parque automovilístico existente y a las necesidades de nuestros clientes de todo el mundo. La incorporación de nuevas referencias no cesa. Mantenemos informados a nuestros clientes periódicamente en [www.idolz.com](http://www.idolz.com) y a través de nuestras notas informativas a clientes.

Our new catalogue covers a complete new presentation of information to our clients. It comprises the use of state-of-the-art data bases (POLK and TECDOC), which will provide a guaranteed supply of information.

Printed catalogues will continue to be the key factor in our communication with clients, which is a justification for all our efforts! However it is important that it should be known that we update our data base every two months, and our work does not finish there, for our on-line catalogues (visit [www.idolz.com](http://www.idolz.com)) and TECDOC (visit [www.tecdoc.de](http://www.tecdoc.de)) are being updated daily.

Moreover, we are continuing to invest in expanding our range: our catalogue comprises 80 more models than in our last edition. The selection is based on existing car market availability and the requirements of our customers all over the world. The inclusion of new models is ongoing. Our clients are periodically kept informed through [www.idolz.com](http://www.idolz.com), and through informative notes.

Notre nouveau catalogue vous propose une toute nouvelle présentation des informations à destination de nos clients. Nous y avons entre autre incorporé toutes les informations issues des bases de données POLK et TECDOC, ce qui représente un gage de qualité en matière d'informations.

Notre catalogue papier continuera à représenter notre support numéro un en matière de communication avec nos clients, ce qui a justifié tous les efforts fournis à sa réalisation! De plus, vous voudrez noter que nous mettons à jour notre base de données tous les deux mois, et que notre catalogue en ligne ([www.idolz.com](http://www.idolz.com)) et support TEC DOC sont revus en conséquence sur une base quotidienne. ([www.tecdoc.de](http://www.tecdoc.de))

D'autre part, nous continuons à investir dans l'expansion de notre gamme: notre catalogue comprend 80 références plus que dans notre précédente édition. Ces intégrations ont pris en compte les parcs roulants des marchés existants et aussi les demandes particulières émises par nos clients partout dans le monde. Ces intégrations se pratiquent de manière courante, et nous en tenons nos clients régulièrement informés notamment sur notre site [www.idolz.com](http://www.idolz.com) ainsi qu'à travers de nos notes informatives.

Il nostro nuovo catalogo prevede una nuova e completa presentazione delle informazioni per i nostri clienti. Comprende l'uso dello stato dell'arte dei data base (POLK e TECDOC), che fornirà un supporto garantito di informazioni.

Il catalogo cartaceo continuerà ad essere il fattore chiave della comunicazione con i nostri clienti. Tuttavia è importante sottolineare che noi aggiorniamo il nostro data base ogni due mesi, ed il nostro lavoro non finisce qua, poichè il nostro catalogo on-line (visitate il nostro sito [www.idolz.com](http://www.idolz.com)) e TECDOC vengono aggiornati quotidianamente.

Inoltre stiamo continuando ad investire per espandere la nostra gamma di prodotti: il nostro catalogo comprende 80 codici in più rispetto all'ultima edizione. La selezione si basa sulla disponibilità del parco auto attuale e le richieste dei nostri clienti in tutto il mondo. L'inserimento dei nuovi modelli è in corso. Teniamo informati i nostri clienti attraverso il nostro sito [www.idolz.com](http://www.idolz.com) e periodiche note informative.
